ACRE Request for Review – East Coventry Township, Chester County – Nathaniel Nolt

Dear Mr. Schena, Mr. Clement, & Mr. Roark,

Mr. Schena, on behalf of his client Nathaniel Nolt, filed an ACRE request for review with the OAG. He contends that East Coventry's Food Processing Residual Ordinance violates ACRE.

ACRE states that within 120 days after the filing of the ACRE complaint, the OAG will apprise the parties of the status of the case. As of this date, we are still in the process of reviewing the ACRE request. I will let you know as soon as our review is completed. Please feel free to reach out with any questions or information that you may have.

I want to thank you all for your assistance in this matter. The correspondence and information that you have provided to me has been top notch and a credit to your legal acumen. I greatly appreciate it. As soon as the OAG makes a decision in this matter, you will be the first to know.

Sincerely,

A handwritten signature in blue ink, appearing to read "Robert A. Willig".
